

Meeting Note

Author: Y.K. Lin

Date: 2024/10/07 – 2024/10/11

Weekly Summary

□ [1].

Plan for Next Week

Implement the basic XXXXXXXXXX [Re. 1].

Details

This week, we read study the [REDACTED] ([REDACTED]), especially focused on the [REDACTED] proposed by [REDACTED] [1]. Also, we roughly read the book Color Gamut Mapping [2] from chapter 3 to chapter 10.

Also, the preliminary pipeline for [REDACTED] and [REDACTED] are designed, although a further discussion is required.

Next week, we plan to implement the basic [REDACTED], and the preprocessing stage is almost completed.

Remarks

[Re. 1]

Starting this week, we will temporarily pause the “Reading 52 Papers” plan to focus on the [REDACTED]. We may resume the reading plan at a later time if possible.
