

Meeting Note

Author: Y.-K. Lin

Date: 2025/06/30 – 2025/07/04

Weekly Summary

Paper revision.

Conduct experiments on gamut expansion.

Plan for Next Week

Master's thesis revision.

Conference paper revision.

Conduct experiments on gamut expansion.

Details

This week, the formal oral defense was held on Wednesday, and we passed it smoothly. In the next week, we are going to (1) revise the thesis based on the committee's opinions; (2) response to the committee's challenges; (3) revise the conference paper; (4) conduct further experiments on gamut expansion.

Comments

This week, we improved our meeting note by:

(1) Fix the typo on author name (i.e., using Y.-K. Lin instead of Y.K. Lin).
